Review of the agenda

Lenora Benjamin – a lot of ideas about the open space grant, this application has to be at the county by 9/3/15 my personal opinion is we aren't ready for the arboretum so our other option is Wilde Memorial we do have bathrooms we have money in the budget for the lightening detector and we spoke about lighting for the park so continue with our improvements for Wilde park majority of money in the budget for the match of the grant. *All are in favor*

Council Member Orseck – had a request from a resident to sponsor a run for the Cranfield child with cancer same run that they do for the arboretum

Lenora Benjamin– approved by police and a Mark already

Council Member Orseck – out of the funds raised they have to pay for the police,

Council Member Orseck made a motion for 5k run for 10/24 & 10/25 no cost to the borough police funding they are in charge of.

Council Member Surrago second

All in favor

Council Member Orseck – from now on there should be no cost to the borough for police or others.

Council Member Martin – would prefer more of a suggested donation

Council Member Orseck – the yes for the dog park to go forward that it clearly states *no monies to come from the town*. Need to raise the money for fully funding the project. Is the borough agreement?

Council Member O'Hagan – asked about the tax reimbursement program?

Lenora Benjamin – reached out to three other town and no one does it.

The S-2 ordinance was carried from the July meeting, we did have a meeting with the planner and the building inspector to go over some issues, recommend that we carry that vote over to the next meeting, some change may come.

Council Member Orseck – brought up the other night about skateboarding I don't want to wait until someone gets hurt.

Maybe some guideline.

Motion made by Council Member Pazan to close the work session

Seconded by Council Member O'Hagan

All in favor
