Mayor – see the need for another work session in August before the scheduled work session on the 27th August 10th 7:30 pm.

Council Member Orseck – looked into guest badges spoke with Mark we all feel it's much too late for this year. Our recommendation for next year guest badge child \$5.00 adult \$10.00. It may effect revenue for 2016.

Mayor – did you consider a reduce fee after August 1st? Mark does not have a problem with that for 2016. We also have a reduced rate if you purchase prior to May 15th.

Council Member Surrago – do we all agree on that for 2016?

Irene Brown, 675 Lincoln Ave. – asked if the reduced rate includes the seniors.

Council Member O'Hagan – asked doing something with the training facility in Hawthorne. Do we need to put together an inter local agreement

Council Member Orseck – we still need to address Faber Field

Council Member Surrago – asked if Mark can come and report back in September the scheduling of the fall sports for the usage of the fields to see if actions are being taken to rest some fields and use the other fields. Then report back again in December.

Council Member Orseck – scheduling is done throw school dude.

Lenora Benjamin – we should be reviewing what we are getting vs what we told we would be getting.

I was paid a visit by Matt Crickler he would like to know about the car show. He is claiming that every business will sign a petition they would like to do this weekly. It will revitalize downtown to draw people downtown.

Plant exchange really wasn't that great, he feels that the dpw didn't support that as they should.

Mayor – the brain stormer needs to run with it and help out and support it.

Lenora Benjamin – he was also interested in more of shade area at the pool. Ask Joan to talk to Mark about the shade concerns at the pool.

Irene Brown – asked about the Bench at the pool for Charlie.
