Mayor – email from last year regarding resident from Clifton place, the problem has to do with the renters at a certain location. Will reach out with Bob and make sure that the behavior stops one way or the other. See where it goes.

I hope to have information about defibrillator sometime soon, think its good news.

At the last meeting a resident said you are charging too much for guest badges for children at the pool. He may be right for younger children going to the kiddie pool, might be something we want to discuss for next season and probably reduce the rate.

Council Member Orseck – if you go to park and pay no sign on what to do if you don't know what to do.

Council Member Surrago – Facebook page on Dog Park. I started to google funding tips and cost of Dog Park somewhere around \$25,000.

Mayor – my opinion is that it might not be received well at Veterans Park. If and where we renovate Faber Field then raise the level and but a park there.

Council Member Orseck – don't think Veterans Park is big enough. Before we put in the community garden that area by Main St would have been a good location.

Council Member Surrago –honor Ted Burke at June 10th meeting.

Council Member O'Hagan – dept. report will read about flag burning.
