ACTION CHECKLIST

1. Reduce Single-use Plastic	Points	YES	NO	Comments
* Have you implemented reusable bag practices by distributing free reusable bags or offering a discount for people who bring their own bags to reduce reliance on bags?	5 pts			
* Have you taken action to eliminate the use of disposable plasticware and replace with more sustainable materials (compostable, biodegradable), cups, dishes, utensils, and straws?	5 pts			
* Are you encouraging and incentivizing customers to bring their own reusable containers, mugs, bags etc	5 pts			
* Have you introduced practices to help eliminate single-use plastic water bottles (i.e. allowing people to bring their own cup, water fountain etc) ?	5 pts			
* Are you working towards reducing packaging, or using eco-friendly packaging material, or purchasing products from vendors that offer returnable packaging?	5 pts			
* Are there other innovative practices you are doing to reduce single-use plastic?	5 pts			

2. Energy efficiency				
* Have you installed LED light bulbs throughout the store?	5 pts			
* Have you conducted an energy audit (free from the PSEG/Direct Install Program)	10 pts			
* Have you installed light sensor switches, so lights inside and outside turn off when no longer needed?	5-10pts			
* What actions are you taking to conserve energy?	5-10pts			
* Are you purchasing electricity generated from renewable sources?	10pts			

Please, email application to: GREC@glenrocknj.net

If your business has completed a minimum of 15 points, you will be designated a Green Business by the Glen Rock Environmental Commission. You will be awarded a certification by the Glen Rock Mayor and Council at a public council meeting, and a sticker award to display on the store-front. See details at: <https://bit.ly/GRGreenBizApp>.

This is a 3-level certification program:

BRONZE: 15 pts

SILVER: 30 pts

GOLD: 50 pts
