

Need to Dispose of Medications ?

To divert prescription drugs from reaching the wrong hands and to avoid disposing of them in the waste stream, residents can now safely dispose of unused medications at two sites in the boro:

- **CVS Pharmacy, 175 Rock Road**
- **Rock Ridge Pharmacy, 191 Rock Road**

Expired and unneeded medications, including pills, capsules, inhalers and pet medications (no liquids or syringes) can be placed in the drop boxes at either pharmacy during business hours.

Any identifying information may be removed prior to placing meds in the box.
