INDEPENDENT AUDITOR'S REPORT

Honorable Mayor and
Members of the Borough Council
Borough of Glen Rock
Glen Rock, New Jersey

Report on the Financial Statements

We have audited the accompanying balance sheets - regulatory basis of the various funds and account group of the Borough of Glen Rock, as of December 31, 2017 and 2016, and the related statements of operations and changes in fund balance - regulatory basis for the years then ended, and the related statement of revenues - regulatory basis and statement of expenditures - regulatory basis of the Current Fund for the year ended December 31, 2017, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the financial accounting and reporting provisions and practices that demonstrate compliance with the regulatory basis of accounting and budget laws prescribed by the Division of Local Government Services, Department of Community Affairs, State of New Jersey as described in Note 1. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatements, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America, the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States and the audit requirements prescribed by the Division of Local Government Services, Department of Community Affairs, State of New Jersey. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles

As described in Note 1 of the financial statements, the financial statements are prepared by the Borough of Glen Rock on the basis of the financial accounting and reporting provisions and practices that demonstrate compliance with the regulatory basis of accounting and budget laws prescribed by the Division of Local Government Services, Department of Community Affairs, State of New Jersey, which is a basis of accounting other than accounting principles generally accepted in the United States of America, to meet the financial reporting requirements of the State of New Jersey for municipal government entities.

The effects on the financial statements of the variances between the regulatory basis of accounting described in Note 1 and accounting principles generally accepted in the United States of America, although not reasonably determinable, are presumed to be material.

Adverse Opinion on U.S. Generally Accepted Accounting Principles

In our opinion, because of the significance of the matter discussed in the “Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles” paragraph, the financial statements referred to above do not present fairly, in accordance with accounting principles generally accepted in the United States of America, the financial position of each fund of the Borough of Glen Rock as of December 31, 2017 and 2016, or changes in financial position for the years then ended.

Basis for Qualified Opinion on Regulatory Basis of Accounting

As discussed in Note 16 of the financial statements, the financial statements – regulatory basis of the Length of Service Award Program (LOSAP) Trust Fund have not been audited, and we were not required by the Division of Local Government Services, Department of Community Affairs, State of New Jersey, to audit nor were we engaged to audit the LOSAP Trust Fund financial statements as part of our audit of the Borough’s financial statements as of and for the years ended December 31, 2017 and 2016. The LOSAP Trust Fund financial activities are included in the Borough’s Trust Funds, and represent 54 percent and 58 percent of the assets and liabilities, respectively, of the Borough’s Trust Funds as of December 31, 2017 and 2016.

Qualified Opinion on Regulatory Basis of Accounting

In our opinion, except for the possible effects of such adjustments, if any, as might have been determined to be necessary had the LOSAP Trust Fund financial statements been audited as described in the “Basis for Qualified Opinion on Regulatory Basis of Accounting” paragraph above, the financial statements – regulatory basis referred to above present fairly, in all material respects, the financial position – regulatory basis of the various funds and account group of the Borough of Glen Rock as of December 31, 2017 and 2016, and the results of operations and changes in fund balance – regulatory basis of such funds for the years then ended and the respective revenues – regulatory basis and expenditures – regulatory basis of the Current Fund for the year ended December 31, 2017 in accordance with the financial accounting and reporting provisions and practices prescribed by the Division of Local Government Services, Department of Community Affairs, State of New Jersey as described in Note 1.

Other Matters

Other Information

Our audit was conducted for the purpose of forming an opinion on the financial statements of the Borough of Glen Rock as a whole. The supplementary schedules listed in the table of contents, schedule of expenditures of federal awards, schedule of expenditures of state financial assistance and the supplementary data and letter of comments and recommendations section are presented for purposes of additional analysis and are not a required part of the financial statements of the Borough of Glen Rock.

The supplementary schedules listed in the table of contents, schedule of expenditures of federal awards and schedule of expenditures of state financial assistance are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the financial statements. Such information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the supplementary schedules listed in the table of contents, schedule of expenditures of federal awards and schedule of expenditures of state financial assistance are fairly stated, in all material respects, in relation to the financial statements as a whole on the basis of accounting described in Note 1.

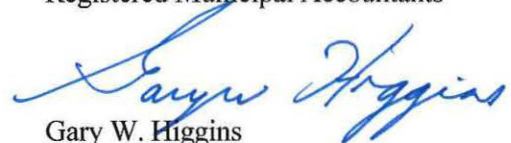

The supplementary data and letter of comments and recommendations section has not been subject to the auditing procedures applied in the audit of the financial statements, and accordingly, we do not express an opinion or provide any assurance on it.

Other Reporting Required by Government Auditing Standards

In accordance with Government Auditing Standards, we have also issued our report dated May 2, 2018 on our consideration of the Borough of Glen Rock's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Borough of Glen Rock's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the Borough of Glen Rock's internal control over financial reporting and compliance.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Reporting Entity

The Borough of Glen Rock (the "Borough") was incorporated in 1894 and operates under an elected Mayor and Council form of government. The Mayor is elected to a four-year term and the six council members are elected at-large, two each year for terms of three years. The Mayor is the Chief Executive Officer of the Borough and as such presides over all public meetings and makes appointments to various boards. The Borough Council exercises all legislative powers including final adoption of the municipal budget and bond ordinances and confirmation of the Mayor's appointments, and all executive authority which is not specifically provided to the Mayor, by state law. A Borough Administrator is appointed by the Borough Council and is responsible for the implementation of the policies of the Mayor and Council, for the administration of all Borough affairs and for the day to day operations of the Borough. The Borough Administrator is the Chief Administrative Officer for the Borough. The Borough's major operations include public safety, road repair and maintenance, sanitation, fire protection, recreation and parks, health services, and general administrative services.

GASB requires the financial reporting entity to include both the primary government and component units. Component units are legally separate organizations for which the Borough is financially accountable. The Borough is financially accountable for an organization if the Borough appoints a voting majority of the organization's governing board and (1) the Borough is able to significantly influence the programs or services performed or provided by the organization; or (2) the Borough is legally entitled to or can otherwise access the organization's resources; the Borough is legally obligated or has otherwise assumed the responsibility to finance the deficits of, or provide financial support to, the organization; or the Borough is obligated for the debt of the organization. Component units may also include organizations that are fiscally dependent on the Borough in that the Borough approves the budget, the issuance of debt or the levying of taxes. The Borough is not includable in any other reporting entity as a component unit.

The financial statements contained herein include only those boards, bodies, officers or commissions as required by NJS 40A:5-5. Accordingly, the financial statements of the Borough do not include the municipal library, volunteer fire department and volunteer ambulance corps, which are considered component units under GAAP. Complete financial statements of the above component units can be obtained by contacting the Treasurer of the respective entity.

B. Description of Regulatory Basis of Accounting

The financial statements of the Borough of Glen Rock have been prepared on a basis of accounting in conformity with accounting principles and practices prescribed or permitted by the Division of Local Government Services, Department of Community Affairs, State of New Jersey (the "Division") which is a regulatory basis of accounting other than accounting principles generally accepted in the United States of America (GAAP). Such principles and practices are designed primarily for determining compliance with legal provisions and budgetary restrictions and as a means of reporting on the stewardship of public officials with respect to public funds. Under this method of accounting, the Borough accounts for its financial transactions through separate funds, which differ from the fund structure required by GAAP.

The Governmental Accounting Standards Board (GASB) is the accepted standard-setting body for establishing governmental accounting and financial reporting principles. GASB has adopted accounting statements to be used by governmental units when reporting financial position and results of operations in accordance with accounting principles generally accepted in the United States of America. (GAAP). The municipalities in the State of New Jersey do not prepare financial statements in accordance with GAAP and thus do not comply with all of the GASB pronouncements.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

C. Basis of Presentation – Financial Statements

The Borough uses funds, as required by the Division, to report on its financial position and the results of its operations. Fund accounting is designed to demonstrate legal compliance and to aid financial administration by segregating transactions related to certain Borough functions or activities. The Borough also uses an account group, which is designed to provide accountability for certain assets that are not recorded in those Funds.

The Borough has the following funds and account group:

Current Fund – This fund is used to account for the revenues and expenditures for governmental operations of a general nature and the assets and liabilities related to such activities, including Federal and State grants not accounted for in another fund.

Trust Funds - These funds are used to account for assets held by the government in a trustee capacity. Funds held by the Borough as an agent for individuals, private organizations, or other governments are recorded in the Trust Funds.

Animal Control Trust Fund - This fund is used to account for fees collected from dog and cat licenses and expenditures which are regulated by NJS 4:19-15.11.

Other Trust Fund - This fund is established to account for the assets and resources, which are held by the Borough as a trustee or agent for individuals, private organizations, other governments and/or other funds. These funds include dedicated fees/proceeds collected, developer deposits, payroll related deposits and funds deposited with the Borough as collateral.

Length of Service Award Program Fund (LOSAP) – This fund is established to account for the tax-deferred income benefits to active volunteer members of emergency service organizations of the Borough.

General Capital Fund – This fund is used to account for the receipt and disbursement of funds used and related financial transactions related to the acquisition or improvement of general capital facilities and other capital assets, other than those acquired in the Current Fund.

Public Assistance Fund - This fund is used to account for the receipt and disbursement of funds that provide assistance to certain residents of the Borough pursuant to Title 44 of New Jersey Statutes.

General Fixed Assets Account Group - This account group is used to account for all general fixed assets of the Borough. The Borough's infrastructure is not reported in the account group.

Comparative Data - Comparative data for the prior year has been presented in the accompanying financial statements in order to provide an understanding of changes in the Borough's financial position and operations. However, comparative data have not been presented in all statements because their inclusion would make certain statements unduly complex and difficult to understand.

Financial Statements – Regulatory Basis

The GASB Codification also requires the financial statements of a governmental unit to be presented in the basic financial statements in accordance with GAAP. The Borough presents the regulatory basis financial statements listed in the table of contents which are required by the Division and which differ from the basic financial statements required by GAAP. In addition, the Division requires the regulatory basis financial statements listed in the table of contents to be referenced to the supplementary schedules. This practice differs from reporting requirements under GAAP.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

D. Measurement Focus and Basis of Accounting

The accounting and financial reporting treatment is determined by the accounting principles and practices prescribed by the Division in accordance with the regulatory basis of accounting. Measurement focus indicates the type of resources being measured. The basis of accounting indicates the timing of transactions or events for recognition in the financial statements.

The Borough of Glen Rock follows a modified accrual basis of accounting. Under this method of accounting, revenues, except State/Federal Aid, are recognized when received and expenditures are recorded when incurred. The accounting principles and practices prescribed or permitted for municipalities by the Division ("regulatory basis of accounting") differ in certain respects from accounting principles generally accepted in the United States of America (GAAP) applicable to local government units. The more significant differences are as follows:

Cash and Investments - Cash includes amounts in demand deposits as well as short-term investments with a maturity date within three months of the date acquired by the government. Investments are reported at cost and are limited by N.J.S.A. 40A:5-15.1 et seq. with the exception of LOSAP Trust Fund investments which are reported at fair value and are limited by N.J.A.C. 5:30-14.19. GAAP requires that all investments be reported at fair value.

Property Tax Revenues/Receivables - Real property taxes are assessed locally, based upon the assessed value of the property. The tax bill includes a levy for Municipal, County, and School purposes. The bills are mailed annually in June for that calendar year's levy. Taxes are payable in four quarterly installments on February 1, May 1, August 1, and November 1. The amounts of the first and second installments are determined as one-quarter of the total tax levied against the property for the preceding year. The installment due the third and fourth quarters is determined by taking the current year levy less the amount previously charged for the first and second installments, with the remainder being divided equally. If unpaid on these dates, the amount due becomes delinquent and subject to interest at 8% per annum, or 18% on any delinquency amount in excess of \$1,500. The school levy is turned over to the Board of Education as expenditures are incurred, and the balance, if any, must be transferred as of December 31, of each fiscal year. County taxes are paid quarterly on February 15, May 15, August 15 and November 15, to the County by the Borough. When unpaid taxes or any municipal lien, or part thereof, on real property, remains in arrears on April first in the year following the calendar year levy when the same became in arrears, the collector in the municipality shall, subject to the provisions of the New Jersey Statutes, enforce the lien by placing the property on a standard tax sale. The Borough also has the option when unpaid taxes or any municipal lien, or part thereof, on real property remains in arrears on the 11th day of the eleventh month in the fiscal year when the taxes or lien became in arrears, the collector in the municipality shall, subject to the provisions of the New Jersey Statutes, enforce the lien by placing property on an accelerated tax sale, provided that the sale is conducted and completed no earlier than in the last month of the fiscal year. The Borough may institute annual in rem tax foreclosure proceedings to enforce the tax collection or acquisition of title to the property. In accordance with the accounting principles prescribed by the State of New Jersey, current and delinquent taxes are realized as revenue when collected. Since delinquent taxes and liens are fully reserved, no provision has been made to estimate that portion of the tax receivable and tax title liens that are uncollectible. GAAP requires property tax revenues to be recognized in the accounting period when they become susceptible to accrual (i.e., when they are both levied and available), reduced by an allowance for doubtful accounts.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

D. Measurement Focus and Basis of Accounting (Continued)

Miscellaneous Revenues/Receivables - Miscellaneous revenues are recognized on a cash basis. Receivables for the miscellaneous items that are susceptible to accrual are recorded with offsetting reserves on the balance sheet of the Borough's Current Fund. GAAP requires such revenues to be recognized in the accounting period when they become susceptible to accrual (i.e., when they are both measurable and available).

Grant and Similar Award Revenues/Receivables - Federal and State grants, entitlements or shared revenues received for purposes normally financed through the Current Fund are recognized when anticipated in the Borough's budget. GAAP requires such revenues to be recognized as soon as all eligibility requirements imposed by the grantor or provider have been met.

Interfunds - Interfund receivables in the Current Fund are recorded with offsetting reserves, which are created by charges to operations. Income is recognized in the year the receivables are liquidated. Interfund receivables in the other funds are not offset by reserves. GAAP does not require the establishment of an offsetting reserve for interfunds and, therefore, does not recognize income in the year liquidated.

Appropriation Reserves - Appropriation reserves are recorded as liabilities and are available, until lapsed at the close of the succeeding year, to meet specific claims, commitments or contracts incurred during the preceding year. Lapsed appropriation reserves are recorded as additions to income. Appropriation reserves do not exist under GAAP.

Expenditures - Expenditures are recorded on the "budgetary" basis of accounting. Generally, expenditures are recorded when an amount is encumbered for goods or services through the issuance of a purchase order in conjunction with an encumbrance accounting system. Outstanding encumbrances at December 31, are reported as a cash liability in the financial statements. Unexpended or uncommitted appropriations, at December 31, are reported as expenditures through the establishment of appropriation reserves unless cancelled by the governing body. GAAP requires expenditures to be recognized in the accounting period in which the fund liability is incurred, if measurable, except for unmatured interest on general long-term debt, as well as expenditures related to compensated absences and claims and judgements, which are recognized when due.

Encumbrances - Contractual orders outstanding at December 31, are reported as expenditures and liabilities through the establishment of an encumbrance payable. Encumbrances do not constitute expenditures or liabilities under GAAP.

Compensated Absences - Expenditures relating to obligations for unused vested accumulated vacation and sick leave are not recorded until paid; however, municipalities may establish and budget reserve funds subject to NJSA 40A:4-39 for the future payment of compensated absences. GAAP requires that the amount that would normally be liquidated with expendable available financial resources be recorded as an expenditure in the operating funds and the remaining obligations are recorded as a long-term obligation in the government-wide financial statements.

Tax Appeals and Other Contingent Losses - Losses arising from tax appeals and other contingent losses are recognized at the time a decision is rendered by an administrative or judicial body; however, municipalities may establish reserves transferred from tax collections or by budget appropriation for future payments of tax appeal losses. GAAP requires such amounts to be recorded when it is probable that a loss has been incurred and the amount of such loss can be reasonably estimated.

D. Measurement Focus and Basis of Accounting (Continued)

General Fixed Assets - In accordance with NJAC 5:30-5.6, Accounting for Governmental Fixed Assets, the Borough of Glen Rock has developed a fixed assets accounting and reporting system. Fixed assets are defined by the Borough as assets with an initial, individual cost of \$5,000 and an estimated useful life in excess of two years.

Fixed assets used in governmental operations (general fixed assets) are accounted for in the General Fixed Assets Account Group. Public domain ("infrastructure") general fixed assets consisting of certain improvements other than buildings, such as roads, bridges, curbs and gutters, and streets and sidewalks are not capitalized.

General Fixed Assets purchased after December 31, 1985 are stated at cost. Donated fixed assets are recorded at acquisition value at the date of donation.

General Fixed Assets purchased prior to December 31, 1985 are stated as follows:

Land and Buildings	Assessed Value
Machinery and Equipment	Estimated Historical Cost

No depreciation has been provided for in the financial statements.

Expenditures for construction in progress are recorded in the General Capital Fund until such time as the construction is completed and put into operation for general fixed assets.

GAAP requires that capital assets be recorded in proprietary-type funds as well as the government-wide financial statement at historical or estimated historical cost if actual historical cost is not available. In addition, GAAP requires depreciation on capital assets to be recorded in proprietary-type funds as well as in the government-wide financial statements.

Use of Estimates - The preparation of financial statements requires management of the Borough to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of accrued revenues and expenditures during the reporting period. Accordingly, actual results could differ from those estimates.

NOTE 2 STEWARDSHIP, COMPLIANCE AND ACCOUNTABILITY

- A. **Budgets and Budgetary Accounting** - An annual budget is required to be adopted and integrated into the accounting system to provide budgetary control over revenues and expenditures. Budget amounts presented in the accompanying financial statements represent amounts adopted by the Borough and approved by the State Division of Local Government Services as per N.J.S.A. 40A:4 et seq.

The Borough is not required to adopt budgets for the following funds:

Trust Funds
General Capital Fund
Public Assistance Fund

The governing body is required to introduce and approve the annual budget no later than February 10, of the fiscal year. The budget is required to be adopted no later than March 20, and prior to adoption must be certified by the Division of Local Government Services, Department of Community Affairs, State of New Jersey. The Director of the Division of Local Government Services, with the approval of the Local Finance Board may extend the introduction and approval and adoption dates of the municipal budget. The budget is prepared by fund, function, activity and line item (salary or other expense) and includes information on the previous year. The legal level of control for appropriations is exercised at the individual line item level for all operating budgets adopted. The governing body of the municipality may authorize emergency appropriations and the inclusion of certain special items of revenue to the budget after its adoption and determination of the tax rate. During the last two months of the fiscal year, the governing body may, by a 2/3 vote; amend the budget through line item transfers. Management has no authority to amend the budget without the approval of the governing body. Expenditures may not legally exceed budgeted appropriations at the line item level. During 2017 and 2016 the Borough Council increased the original budget by \$35,310 and \$32,008. The 2017 and 2016 increases were funded by additional aid allotted to the Borough. In addition, the governing body approved several budget transfers during 2017 and 2016.

NOTE 3 CASH DEPOSITS AND INVESTMENTS

The Borough considers petty cash, change funds, cash in banks, certificates of deposit and deposits with the New Jersey Cash Management Fund as cash and cash equivalents.

A. **Cash Deposits**

The Borough's deposits are insured through either the Federal Deposit Insurance Corporation (FDIC), National Credit Union Share Insurance Fund (NCUSIF), Securities Investor Protection Corporation (SIPC) or New Jersey's Governmental Unit Deposit Protection Act (GUDPA). The Borough is required to deposit their funds in a depository which is protecting such funds pursuant to GUDPA. The New Jersey Governmental Unit Deposit Protection Act requires all banks doing business in the State of New Jersey to pledge collateral equal to at least 5% of the average amount of its public deposits and 100% of the average amount of its public funds in excess of the lesser of 75% of its capital funds or \$200 million for all deposits not covered by the FDIC or NCUSIF.

BOROUGH OF GLEN ROCK
NOTES TO FINANCIAL STATEMENTS
YEARS ENDED DECEMBER 31, 2017 AND 2016

NOTE 3 CASH DEPOSITS AND INVESTMENTS (Continued)

A. Cash Deposits (Continued)

Bank balances are insured up to \$250,000 in the aggregate by the FDIC for each bank. NCUSIF insures credit union accounts up to \$250,000 in the aggregate for each financial institution. SIPC replaces cash claims up to a maximum of \$250,000 for each failed brokerage firm. At December 31, 2017 and 2016, the book value of the Borough's deposits were \$17,610,424 and \$7,185,581 and bank and brokerage firm balances of the Borough's deposits amounted to \$17,207,889 and \$7,499,238, respectively. The Borough's deposits which are displayed on the various fund balance sheets as "cash" are categorized as:

<u>Depository Account</u>	<u>Bank Balance</u>	
	<u>2017</u>	<u>2016</u>
Insured	<u>\$ 17,207,889</u>	<u>\$ 7,499,238</u>

Custodial Credit Risk – Deposits – Custodial credit risk is the risk that in the event of a bank failure, the government's deposits may not be returned to it. The Borough does not have a formal policy for custodial credit risk. As of December 31, 2017 and 2016, none of the Borough's bank balances were exposed to custodial credit risk.

B. Investments

The Borough is permitted to invest public funds in accordance with the types of securities authorized by N.J.S.A. 40A:5-15.1. Investments include bonds or other obligations of the United States or obligations guaranteed by the United States of America, Government Money Market Mutual Funds, bonds or other obligations of the Borough or bonds or other obligations of the school districts which are a part of the Borough or school districts located within the Borough, Local Government investment pools, and agreements for the repurchase of fully collateralized securities, if transacted in accordance with NJSA 40A:5-15.1 (8a-8e). In addition, the Borough is permitted to invest LOSAP Funds with the types of eligible investments authorized in NJAC 5:30-14.19. LOSAP investments include interest bearing accounts or securities, in which savings banks of New Jersey are authorized to invest their funds, New Jersey Cash Management Fund, fixed and variable individual or group annuity contracts, mutual fund shares or fixed and variable life insurance contracts.

As of December 31, 2017 and 2016, the Borough had the following investments:

	<u>Fair Value (Unaudited)</u>	
	<u>2017</u>	<u>2016</u>
Investments:		
Length of Service Award Program	<u>\$ 1,352,339</u>	<u>\$ 1,183,984</u>

NOTE 3 CASH DEPOSITS AND INVESTMENTS (Continued)

B. Investments (Continued)

Custodial Credit Risk – Investments – For an investment, this is the risk, that in the event of the failure of the counterparty, the Borough will not be able to recover the value of its investments or collateral securities that are held by an outside party. The Borough does not have a policy for custodial risk. As of December 31, 2017 and 2016, \$1,352,339 and \$1,183,984 of the Borough's investments was exposed to custodial credit risk as follows:

	<u>Fair Value</u> (Unaudited)	
	<u>2017</u>	<u>2016</u>
Uninsured and Collateralized:		
Collateral held by pledging financial institution's trust department but not in the Borough's name	<u>\$ 1,352,339</u>	<u>\$ 1,183,984</u>

Interest Rate Risk – The Borough does not have a formal investment policy that limits investment maturities as a means of managing its exposure to fair value losses arising from increasing interest rates.

Credit Risk – State law limits investments as noted above (N.J.S.A. 40A:5-15.1). The Borough does not have an investment policy that would further limit its investment choices. As of December 31, 2017 and 2016 the Borough's investment in Lincoln Financial Group, a subsidiary of Lincoln National Corporation, was rated Baa1 by Moody's Investor Services.

Concentration of Credit Risk – The Borough places no limit in the amount the Borough may invest in any one issuer. More than five (5) percent of the Borough's investments are in Lincoln Financial Group. These investments are 100% of the Borough's total investments.

The fair value of the above-listed investments were based on quoted market prices.

Interest earned in the General Capital Fund, Animal Control Trust Fund, Public Assistance Trust Fund and certain Other Trust Funds are assigned to the Current Fund in accordance with the regulatory basis of accounting.

NOTE 4 TAXES RECEIVABLE

Receivables at December 31, 2017 and 2016 consisted of the following:

Bond Anticipation Notes (Continued)

State law requires that notes are to be issued for a period not exceeding one year and may be renewed from time to time for additional periods, none of which shall exceed one year. All bond anticipation notes, including renewals, shall mature and be paid not later than the first day of the fifth month following the close of the tenth fiscal year following the date of the original notes. In addition any note renewed beyond the third anniversary date of the original note, requires one legally payable installment to be paid.

NOTE 9 CONSTRUCTION AND OTHER SIGNIFICANT COMMITMENTS

As of December 31, the Borough had the following commitments with respect to unfinished capital projects:

<u>Capital Project</u>	<u>Construction/Other Commitment</u>	<u>Estimated Date of Completion/Acquisition</u>
<u>2017</u>

NOTE 10 OTHER LONG-TERM LIABILITIES

A. Compensated Absences

Under the existing policies and labor agreements of the Borough, employees are allowed to accumulate (with certain restrictions) unused vacation benefits and sick leave over the life of their working careers and to redeem such unused leave time in cash (with certain limitations) upon death, retirement or by extended absence immediately preceding retirement.

It is estimated that the current cost of such unpaid compensation and salary related payments would approximate \$638,546 and \$522,424 at December 31, 2017 and 2016, respectively. These amounts which are considered material to the financial statements, are not reported either as an expenditure or liability.

NOTE 11 EMPLOYEE RETIREMENT SYSTEMS

The State of New Jersey sponsors and administers the following contributory defined benefit public employee retirement systems (retirement systems) covering substantially all state and local government employees which includes those Borough employees who are eligible for pension coverage.

Police and Firemen's Retirement System (PFRS) – established in July 1944, under the provisions of N.J.S.A. 43:16A to provide coverage to substantially all full time county and municipal police or firemen and State firemen appointed after December 31, 1944. Membership is mandatory for such employees with vesting occurring after 10 years of membership. PFRS is a cost-sharing multi-employer defined benefit pension plan.

NOTE 11 EMPLOYEE RETIREMENT SYSTEMS (Continued)

Public Employees' Retirement System (PERS) – established in January 1955, under the provisions of N.J.S.A. 43:15A to provide coverage, including post-retirement healthcare for those eligible employees whose local employers elected to do so, to substantially all full-time employees of the State or any county, municipality, school district, or public agency provided the employee is not a member of another State-administered retirement system. Membership is mandatory for such employees and vesting occurs after 10 years of service for pension benefits and, if applicable, 25 years for post-retirement healthcare coverage. PERS is a cost-sharing multi-employer defined benefit pension plan.

The State of New Jersey sponsors and administers the following defined contribution public employee retirement program covering certain state and local government employees which include those Borough employees who are eligible for pension coverage.

Defined Contribution Retirement Program (DCRP) – established under the provisions of Chapter 92, P.L. 2007 and Chapter 103, P.L. 2008 to provide coverage to elected and certain appointed officials, effective July 1, 2007. Membership is mandatory for such individuals with vesting occurring after one (1) year of membership. This provision was extended by Chapter 1, P.L. 2010, effective May 21, 2010, to new employees (Tier 2) of the PFRS and new employees who would otherwise be eligible to participate in PERS and do not work the minimum required hours but earn a base salary of at least \$5,000 are eligible for participation in the DCRP. DCRP is a defined contribution pension plan.

Other Pension Funds

The state established and administers a Supplemental Annuity Collective Trust Fund (SACT) which is available to active members of the State-administered retirement systems to purchase annuities to supplement the guaranteed benefits provided by their retirement system. The state or local governmental employers do not appropriate funds to SACT.

The State also administers the Pensions Adjustment Fund (PAF). Prior to the adoption of pension reform legislation, P.L. 2011, C.78, it provided cost of living increases equal to 60 percent of the change in the average consumer price index, to eligible retirees in some State-sponsored pension systems which includes the CPFPPF. Cost-of-living increases provided under the State's pension adjustment program are currently suspended as a result of the reform legislation. This benefit is funded by the State as benefit allowances become payable.

The cost of living increase for PFRS and PERS are funded directly by each of the respective systems, but are currently suspended as a result of reform legislation.

According to state law, all obligations of each retirement system will be assumed by the State of New Jersey should any retirement system be terminated.

The State of New Jersey, Department of the Treasury, Division of Pensions and Benefits, issues publicly available financial reports that include the financial statements and required supplementary information of each of the above systems, funds, and trust. The financial reports may be accessed via the New Jersey, Division of Pensions and Benefits website at www.state.nj.us/treasury/pensions.

Basis of Accounting

The financial statements of the retirement systems are prepared on the accrual basis of accounting. Employer contributions are recognized when payable to the retirement systems. Benefits and refunds are recognized when due and payable in accordance with the terms of the retirement systems.

Investment Valuation

Investments are reported at fair value. Securities traded on a national or international exchange are valued at the last reported sales price at current exchange rates. Mortgages are valued on the basis of future principal and interest payments, and are discounted at prevailing interest rates for similar instruments. The fair value of real estate investments is based on independent appraisals. Investments that do not have an established market are reported at estimated fair values.

The State of New Jersey, Department of the Treasury, Division of Investment, issues publicly available financial reports that include the financial statements of the State of New Jersey Cash Management Fund. The financial report may be obtained by writing to the State of New Jersey, Department of the Treasury, Division of Investment, P.O. Box 290, Trenton, New Jersey 08625-0290, or at www.state.nj/treasury/doinvest.

Funded Status and Funding Progress

As of July 1, 2016, the most recent actuarial valuation date, which was rolled forward to June 30, 2017, the aggregate funded ratio for all the State administered retirement systems, including local PERS and local PFRS is 35.79 percent with an unfunded actuarial accrued liability of \$142.3 billion. The aggregate funded ratio and unfunded accrued liability for the local PERS system is 48.10 percent and \$23.3 billion, respectively and the aggregate funded ratio and unfunded accrued liability for local PFRS is 58.60 percent and \$17.2 billion, respectively.

The funded status and funding progress of the retirement systems includes actuarial valuations which involve estimates of the value of reported amounts and assumptions about the probability of events far into the future. These amounts are subject to continual revision as actual results are compared to past expectations and new estimates are made about the probability of future events.

Actuarial calculations reflect a long-term perspective and are based on the benefits provided under the terms of the retirement systems in effect at the time of each valuation and also consider the pattern of the sharing of costs between the employer and members at that point in time. The projection of benefits for financial reporting purposes does not explicitly incorporate the potential effects of legal or contractual funding limitations on the pattern of cost sharing between the employer and members in the future.

Actuarial Methods and Assumptions

In the July 1, 2016 actuarial valuations, the date of the most recent actuarial valuations, the projected unit credit was used as actuarial cost method, and the five year average of market value was used as asset valuation method for pension trust funds. The actuarial assumptions included (a) 7.00% for investment rate of return for all the retirement systems except CPFPP (1.00%) and (b) changes to projected salary increases applied through the year 2026 of 1.65-5.15 percent based on age for PERS and 2.10-9.98 percent based on age for PFRS.

Employer and Employee Pension Contributions

The contribution policy is set by laws of the State of New Jersey and contributions are required by active members and participating employers. Plan members and employer contributions may be amended by State of New Jersey legislation, with the amount of contributions by the State of New Jersey contingent upon the annual Appropriations Act. As defined, the various retirement systems require employee contributions based on 10.0% for PFRS, 7.20% for PERS and 5.50% for DCRP of employee's annual compensation for 2017.

Annual Pension Cost (APC)

Per the requirements of GASB Statement No. 27, *Accounting for Pensions by State and Local Government Employees*, for the years ended December 31, 2017 and 2016 for CPFPPF, which is a cost sharing plan with special funding situations, the annual pension cost differs from the annual required contribution. For PFRS and PERS, which are cost sharing multi-employer defined benefit pension plans, annual pension cost equals contributions made. In the DCRP, which is a defined contribution plan, member contributions are matched by a 3% employer contribution.

During the years ended December 31, 2017, 2016 and 2015, the Borough, was required to contribute for normal cost pension contributions, accrued liability pension contributions and non-contributory life insurance premiums the following amounts which equaled the required contributions for each respective year:

Pension Liabilities, Pension Expense, and Deferred Outflows of Resources and Deferred Inflows of Resources Related to Pensions

Public Employees Retirement System (PERS)

At December 31, 2017 and 2016, the Borough reported a liability of \$11,800,055 and \$15,774,710, respectively, for its proportionate share of the PERS net pension liability. The net pension liability was measured as of June 30, 2017 and 2016, respectively, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of July 1, 2016 and 2015, respectively. The Borough's proportionate share of the net pension liability was based on a projection of the Borough's long-term share of contributions to the pension plan relative to the projected contributions of all participating governmental entities, actuarially determined. As of the measurement date of June 30, 2017, the Borough's proportionate share was .05069 percent, which was a decrease of 0.00257 percent from its proportionate share measured as of June 30, 2016 of .05326 percent.

Long-Term Expected Rate of Return

The long-term expected rate of return on pension plan investments was determined using a building-block method in which best-estimate ranges of expected future real rate of return (expected returns, net of pension plans investment expense and inflation) are developed for each major asset class. These ranges are combined to produce the long-term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage and by adding expected inflation. Best estimates of arithmetic real rates of return for each major asset class included in the pension plans' target asset allocation as of June 30, 2017 and 2016, as reported for the years ended December 31, 2017 and 2016, respectively, are summarized in the following table:

Police and Firemen's Retirement System (PFRS)

At December 31, 2017 and 2016, the Borough reported a liability of \$9,902,083 and \$14,028,259, respectively, for its proportionate share of the PFRS net pension liability. The net pension liability was measured as of June 30, 2017 and 2016, respectively, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of July 1, 2016 and 2015, respectively. The Borough's proportionate share of the net pension liability was based on a projection of the Borough's long-term share of contributions to the pension plan relative to the projected contributions of all participating governmental entities, actuarially determined. As of the measurement date of June 30, 2017, the Borough's proportionate share was .06414 percent, which was a decrease of .0093 percent from its proportionate share measured as of June 30, 2016 of .07344 percent.

For the years ended December 31, 2017 and 2016, the pension system has determined the Borough pension expense to be \$604,092 and \$1,455,168, respectively, for PFRS based on the actuarial valuation which is more than the actual contributions reported in the Borough's financial statements of \$598,758 and \$649,269, respectively. The long-term expected rate of return on pension plan investments was determined using a building-block method in which best-estimate ranges of expected future real rate of return (expected returns, net of pension plans investment expense and inflation) are developed for each major asset class. These ranges are combined to produce the long-term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage and by adding expected inflation. Best estimates of arithmetic real rates of return for each major asset class included in the pension plans' target asset allocation as of June 30, 2017 and 2016, as reported for the years ended December 31, 2017 and 2016, respectively, are summarized in the following table:

Special Funding Situation – PFRS

Under N.J.S.A. 43:16A-15, the Borough is responsible for their own PFRS contributions based on actuarially determined amounts, except where legislation was passed which legally obligated the State to make contributions if certain circumstances occurred. The legislation which legally obligates the State is as follows: Chapter 8, P.L. 2000, Chapter 318, P.L. 2001, Chapter 86, P.L. 2001, Chapter 511, P.L. 1991, Chapter 109, P.L. 1979, Chapter 247, P.L. 1993 and Chapter 201, P.L. 2001. The amounts contributed on behalf of the Borough by the State under this legislation is considered to be a special funding situation as defined by GASB Statement No. 68 and the State is treated as a nonemployer contributing entity. Accordingly, the Borough's proportionate share percentage of the net pension liability, deferred outflows and inflows determined under GASB Statement No. 68 is zero percent and the State's proportionate share is 100% for PFRS under this legislation.

At December 31, 2017 and 2016, the State's proportionate share of the net pension liability attributable to the Borough for the PFRS special funding situation is \$1,109,117 and \$1,178,026, respectively. For the years ended December 31, 2017 and 2016, the pension system has determined the State's proportionate share of the pension expense attributable to the Borough for the PFRS special funding situation is \$135,670 and \$150,462, respectively, which is more than the actual contributions the State made on behalf of the Borough of \$55,461 and \$45,139, respectively. The State's proportionate share attributable to the Borough was developed based on actual contributions made to PFRS allocated to employers based upon covered payroll. These on-behalf contributions have not been reported on the Borough's financial statements.

Pension Plan Fiduciary Net Position

Detailed information about the PFRS pension plan's fiduciary net position is available in the separately issued financial report from the State of New Jersey, Department of the Treasury, Division of Pension and Benefits. The financial reports may be accessed via the New Jersey, Division of Pensions and Benefits, website at www.state.nj.us/treasury/pensions.

NOTE 12 POST-RETIREMENT MEDICAL BENEFITS

The State of New Jersey sponsors and administers the post-retirement health benefit program plans for participating municipalities including the Borough. The plans are classified as either single employer plans or cost sharing multiple employer defined benefit plans depending on the plan the eligible employee is covered under.

As a result of implementing Governmental Accounting Standards Board (GASB) Statement No. 43, *Financial Reporting for Post-employment Benefit Plans Other than Pension Plans* (OPEB), effective for Fiscal Year 2007, the State Health Benefits Program (SHBP), and the Prescription Drug Program (PDP), and Post-Retirement Medical (PRM) of the PERS and the Teacher's Pension and Annuity (TPAF) are combined and reported as Pension and Other Employee Benefit Trust Funds in the State's Comprehensive Annual Financial Report (CAFR). Specifically, SHBP-State, PDP-State, and the PRM of the PERS are combined and reported as Health Benefits Program Fund – State classified as a single employer plan. The SHBP-Local, PDP-Local, and the PRM of the TPAF-Local are combined and reported as Health Benefits Program Fund –Local Government classified as a cost sharing multiple-employer plan. The post-retirement benefit programs had a total of 580 state and local participating employers and contributing entities for Fiscal Year 2017.

The State of New Jersey sponsors and administers the following health benefit program covering substantially all local government employees from local participating employers.

NOTE 12 POST-RETIREMENT MEDICAL BENEFITS (Continued)

State Health Benefits Program Funds (HBPF) – Local Government (including Prescription Drug Program Fund) – Certain local employers who participate in the State Health Benefits Program provide health insurance coverage to their employees at retirement. Under provisions of P.L. 1997, c.330, the State of New Jersey provides partially funded benefits to local police officers and firefighters who retire with 25 years of service (or on disability) from an employer who does not provide coverage. Retirees who are not eligible for employer paid health coverage at retirement can continue in the program by paying the cost of the insurance for themselves and their covered dependents. Also, local employees are eligible for the PDP coverage after 60 days of employment.

The State of New Jersey, Department of the Treasury, Division of Pensions and Benefits, issues publicly available financial reports that include the financial statements and required supplementary information of the above Fund. The financial reports may be assessed via, the New Jersey, Division of Pensions and Benefits website at www.state.nj.us/treasury/pensions.

Basis of Accounting

The financial statements of the health benefit programs are prepared on the accrual basis of accounting. Employer contributions are recognized when payable to the health benefit programs. Benefits or refunds are recognized when due and payable in accordance with the terms of the health benefit programs.

Investment Valuation

Investments are reported at fair value. Investments that do not have an established market are reported at estimated fair values.

Funded Status and Funding Progress

As of July 1, 2016, the most recent actuarial valuation date, the State had a \$69.3 billion unfunded actuarial liability for other postemployment benefits (OPEB) which is made up of \$25.5 billion for state active and retired members and \$43.8 billion for education employees and retirees that become the obligation of the State of New Jersey upon retirement.

The funded status and funding progress of the OPEB includes actuarial valuations which involve estimates of the value of reported amounts and assumptions about the probability of events far into the future. These amounts are subject to continual revision as actual results are compared to past expectations and new estimates are made about the probability of future events.

Actuarial calculations reflect a long-term perspective and are based on the benefits provided under the terms of the OPEB in effect at the time of each valuation and also consider the pattern of the sharing of costs between the employer and members at the point in time. The projection of benefits for financial reporting purposes does not explicitly incorporate the potential effects of legal or contractual funding limitations on the pattern of cost sharing between the employer and members in the future.

Actuarial Methods and Assumptions

In the July 1, 2016 OPEB actuarial valuation, the projected unit credit was used as the actuarial cost method, and the market value was used as asset valuation method for the OPEB. The actuarial assumptions included an assumed investment rate of return of 4.50 percent.

Post-Retirement Medical Benefits Contribution

P.L. 1987, c. 384 and P.L. 1990, c.6 required the Public Employees' Retirement System to fund post-retirement medical benefits for those State and participating local government employees who retire after accumulating 25 years of credited service or on a disability retirement. As of June 30, 2017, there were 112,966 retirees receiving post-retirement medical benefits, and the State contributed \$1.37 billion on their behalf. The cost of these benefits is funded through contributions by the State and participating local governments in accordance with P.L. 1994, c.62. Funding of post-retirement medical benefits changed from a pre-funding basis to a pay-as-you-go basis beginning in Fiscal Year 1994.

NOTE 12 POST-RETIREMENT MEDICAL BENEFITS (Continued)

Post-Retirement Medical Benefits Contribution (Continued)

P.L. 1977, c. 136 provides for the State and participating local governments to pay health benefits on a pay-as-you-go basis for all enrolled retired employees, regardless of retirement date, under two provisions. The first is for employees whose pensions are based on 25 years or more of credited service (except those who elect a deferred retirement). The second is for retired employees who are eligible for a disability retirement regardless of years of service. The State and participating local governments contributed \$184.6 million for 10,994 eligible retired members for Fiscal Year 2017. This benefit covers the Police and Firemen's Retirement System.

P.L. 1997, c. 330 provides paid post-retirement health benefits to qualified retirees of the Police and Firemen's Retirement System and the Consolidated Police and Firemen's Pension Fund and to dependents of qualified retirees. The State and participating local governments are responsible for 80 percent of the premium for the category of coverage elected by the retiree under the State managed care plan or a health maintenance organization participating in the program, whichever provides the lower charge. The State and participating local governments contributed \$52.1 million in Fiscal Year 2017 to provide benefits under Chapter 330 to qualified retirees.

The State sets the employer contribution rate based on a pay-as-you-go basis rather than the *annual required contribution of the employers (ARC)*, an amount actuarially determined in accordance with the parameters of GASB Statement 45. The ARC represents a level of funding that, if paid on an ongoing basis, is projected to cover normal cost each year and amortize any unfunded actuarial liabilities (or funding excess) of the plan over a period not to exceed thirty years. The Borough's contributions to the State Health Benefits Program Fund-Local Government for post-retirement benefits for the years ended December 31, 2017, 2016 and 2015 were \$960,961, \$834,455, and \$811,234, respectively, which equaled the required contributions for each year.

NOTE 13 RISK MANAGEMENT

The Borough is exposed to various risks of loss related to general liability, automobile coverage, theft of, damage to and destruction of assets; errors and omissions; injuries to employees; termination of employees and natural disasters. The Borough has obtained commercial insurance coverage to guard against these events to minimize the exposure to the Borough should they occur.

The Borough of Glen Rock is a member of the Bergen County Municipal Joint Insurance Fund (BJIF) and Municipal Excess Liability Joint Insurance Fund (MEL). The joint insurance funds are both an insured and self-administered group of municipalities established for the purpose of insuring against property damage, general liability, motor vehicles and equipment liability and worker's compensation. The Funds are risk-sharing public entity pools. The BJIF and MEL coverage amounts are on file with the Borough.

The relationship between the Borough and respective insurance funds is governed by a contract and by-laws that have been adopted by resolution of each unit's governing body. The Borough is contractually obligated to make all annual and supplementary contributions to the insurance funds, to report claims on a timely basis, to cooperate with the management of the funds, its claims administrator and attorneys in claims investigation and settlement, and to follow risk management procedures as outlined by the funds. Members have a contractual obligation to fund any deficit of the funds attributable to a membership year during which the municipality was a member.

The funds provide its members with risk management services, including the defense of and settlement of claims, and established reasonable and necessary loss reduction and prevention procedures to be followed by the members. Complete financial statements of the funds can be obtained by contacting the respective fund's Treasurer.

There has been no significant reduction in insurance coverage from the previous year nor have there been any settlements in excess of insurance coverage in any of the prior three years.

NOTE 13 RISK MANAGEMENT (Continued)

The Borough has elected to fund its New Jersey Unemployment Compensation Insurance under the "Benefit Reimbursement Method". Under this plan the Borough is required to reimburse the New Jersey Unemployment Trust Fund for benefits paid to its former employees and charged to its account with the State. The Borough is billed quarterly for amounts due to the State. The following is a summary of Borough contributions, employee contributions, reimbursements to the State for benefits paid and the ending balance of the Borough's unemployment compensation trust fund for the current and previous two years:

<u>Year Ended</u> <u>December 31</u>	<u>Borough</u> <u>Contributions</u>	<u>Employee</u> <u>Contributions</u>	<u>Amount</u> <u>Reimbursed</u>	<u>Ending</u> <u>Balance</u>
2017		\$ 18,474	\$ 29,240	\$ 28,204
2016	\$ 25,000	11,948	13,456	38,970
2015	45,000	7,646	31,602	15,478

NOTE 14 CONTINGENT LIABILITIES

The Borough is a party defendant in some lawsuits, none of a kind unusual for a municipality of its size and scope of operation. In the opinion of the Borough's Attorney, the potential claims against the Borough not covered by insurance policies would not materially affect the financial condition of the Borough.

Pending Tax Appeals - Various tax appeal cases were pending in the New Jersey Tax Court at December 31, 2017 and 2016. Amounts claimed have not yet been determined. The Borough is vigorously defending its assessments in each case. Under the accounting principles prescribed by the Division of Local Government Services, Department of community Affairs, State of New Jersey, the Borough does not recognize a liability, if any, until these cases have been adjudicated. The Borough expects such amounts, if any, could be material. Funding of any ultimate liability would be provided for in succeeding years' budget or from fund balance.

Federal and State Awards - The Borough participates in a number of federal and state programs that are fully or partially funded by grants received from other governmental units. Expenditures financed by grants are subject to audit by the appropriate grantor government. If expenditures are disallowed due to noncompliance with grant program regulations, the Borough may be required to reimburse the grantor government. As of December 31, 2017 and 2016, significant amounts of grant expenditure have not been audited by the various grantor agencies but the Borough believes that disallowed expenditures, if any, based on subsequent audits will not have a material effect on the overall financial position of the Borough.

NOTE 15 FEDERAL ARBITRAGE REGULATIONS

The Borough is subject to Section 148 of the Internal Revenue Code as it pertains to the arbitrage rebate on all tax-exempt obligations, both long and short-term debt. Under the 1986 Tax Reform Act, the Internal Revenue Service (IRS) required that all excess earnings from investment proceeds be rebated to the IRS. Arbitrage, for purposes of these regulations, is defined as the difference between the yield on the investment and the yield on the obligations issued. If there are excess earnings, this amount may be required to be rebated to the IRS. At December 31, 2017 and 2016, the Borough has not estimated its estimated arbitrage earnings due to the IRS, if any.

NOTE 16 LENGTH OF SERVICE AWARD PROGRAM (LOSAP)-UNAUDITED

The Borough of Glen Rock Length of Service Award Program (the Plan) was created by a Borough ordinance adopted on July 25, 2001 pursuant to 457 (e)(11)(13) of the Internal Service Code of 1986, as amended, except for provisions added by reason of the Length of Service Award Program as enacted into federal law in 1997. The voters of the Borough of Glen Rock approved the adoption of the Plan at the general election held on November 2, 1999.

The first year of eligibility for entrance into the Plan was calendar year 2002. The tax deferred income benefits for emergency services volunteers, consisting of the Glen Rock Volunteer Fire Department and the Volunteer Ambulance Corps Inc., come from contributions made solely by the Borough on behalf of those volunteers who meet the criteria of a plan created by the governing body.

If an active member meets the year of active service requirement, a LOSAP must provide a benefit between the minimum contribution of \$100 and a maximum contribution of \$1,150 per year. While the maximum amount is established by statute, it is subject to periodic increases that are related to the consumer price index (N.J.S.A. 40A:14-185(f)). The Division of Local Government Services issues the permitted maximum increase annually.

The Borough of Glen Rock has contributed \$1,457 and \$1,438 for 2017 and 2016, respectively, for each eligible Glen Rock Volunteer Fire Department and Volunteer Ambulance Corps. Inc. member into the Plan. The total Borough contributions were \$59,732 and \$71,909 for 2017 and 2016, respectively.

In accordance with the amendments to Section 457 of the Internal Revenue Code and the State Deferred Revenue Regulations, the Borough has placed the amounts deferred, including earnings, in a trust for the exclusive benefit of the plan participants and their beneficiaries.

Lincoln Financial Group is the administrator of the plan. The Borough's practical involvement in administering the plan is essentially limited to verifying the eligibility of each participant and remitting the funds to the plan administrator.

Vesting and Benefits

A volunteer is eligible to receive a distribution of funds upon completing 5 (five) cumulative years as an active member of the volunteer organization. Certain restrictions and tax implications may result in the event of a withdrawal of funds from the Plan.

If a volunteer member does not vest and terminates their association with the emergency service organization, the funds are returned to the sponsoring agency's surplus.

Reporting Requirements

The New Jersey Administrative Code NJAC 5:30-14.49 requires that the Borough perform a separate review report of the plan in accordance with the American Institute of Certified Public Accountants (AICPA) Statements on Standards for Accounting and Auditing Review Services. Since a review does not constitute an audit, the financial statements pertaining to the Plan are presented as unaudited in this report as part of the Borough's Trust Funds.

NOTE 17 TAX ABATEMENTS

For the years ended December 31, 2017 and 2016, the Borough provided a property tax abatement through the Long Term Tax Exemption Law (the “LTTE Law”).

- The Long Term Tax Exemption Law (NJSA 40A:20 et.seq.) is focused on broad areas of redevelopment. It allows for a longer abatement term to carry out a larger development plan through declaring an area as being “in need of redevelopment”. These long-term property abatements may last up to 30 years from completion of a project or 35 years from execution of the financial agreement. The process is initiated when the municipality passes a resolution calling for the municipal planning board to study the need for designating an area “in need of redevelopment”. Upon adopting the planning board’s recommendations and formalizing the redevelopment area designation, a municipality adopts a redevelopment plan, engages redevelopment entities to carry out the plan, and may authorize long-term tax abatements in the process. Developers submit abatement applications to the governing body for review. The financial agreement is approved through adoption of a local ordinance. The agreement exempts a project from taxation, but requires a payment in lieu of taxes (PILOTs) in an amount based generally on a percentage of project costs or revenue generated by the project, depending on the type of project. For the year ended December 31, 2016 the Borough abated property taxes totaling \$340,064, under the LTTE program. The Borough received \$102,531 in PILOT payments under this program for the year ended December 31, 2016. Beginning in 2017 the respective property was no longer subject to a tax abatement.

REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

INDEPENDENT AUDITOR'S REPORT

Honorable Mayor and Members
of the Borough Council
Borough of Glen Rock
Glen Rock, New Jersey

We have audited, in accordance with the auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in Government Auditing Standards issued by the Comptroller General of the United States and audit requirements prescribed by the Division of Local Government Services, Department of Community Affairs, State of New Jersey, the financial statements – regulatory basis of the Borough of Glen Rock as of and for the year ended December 31, 2017, and the related notes to the financial statements, and have issued our report thereon dated May 2, 2018. Our report on the financial statements – regulatory basis was modified to indicate that the financial statements were not prepared in accordance with accounting principles generally accepted in the United States of America but rather prepared in accordance with the regulatory basis of accounting prescribed by the Division of Local Government Services, Department of Community Affairs, State of New Jersey, which is a basis of accounting other than accounting principles generally accepted in the United States, to meet the financial reporting requirements of the State of New Jersey for municipal government entities as described in Note 1. In addition, our report on the financial statements – regulatory basis was modified on the regulatory basis of accounting because of the presentation of the unaudited LOSAP Trust Fund.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Borough of Glen Rock's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements but not for the purpose of expressing an opinion on the effectiveness of the Borough of Glen Rock's internal control. Accordingly, we do not express an opinion on the effectiveness of the Borough of Glen Rock's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Borough's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Borough of Glen Rock's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under Government Auditing Standards and audit requirements as prescribed by the Division of Local Government Services, Department of Community Affairs, State of New Jersey.

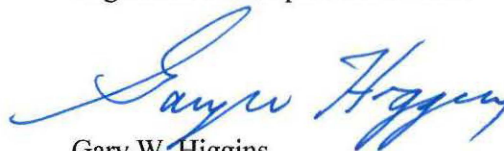

However, we noted certain matters that are not required to be reported under Government Auditing Standards that we reported to management of the Borough of Glen Rock in Part III of this report of audit entitled, "Letter of Comments and Recommendations".

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Borough of Glen Rock's internal control or on compliance. This report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the Borough of Glen Rock's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**NOTES TO THE SCHEDULES OF EXPENDITURES OF FEDERAL AWARDS
AND STATE FINANCIAL ASSISTANCE**

BOROUGH OF GLEN ROCK
NOTES TO THE SCHEDULES OF EXPENDITURES OF FEDERAL AWARDS
AND STATE FINANCIAL ASSISTANCE
YEAR ENDED DECEMBER 31, 2017

NOTE 1 GENERAL

The accompanying schedules present the activity of all federal awards and state financial assistance programs of the Borough of Glen Rock. The Borough is defined in Note 1(A) to the Borough's financial statements. All federal financial assistance received directly from federal agencies, as well as federal awards and state financial assistance passed through other government agencies is included on the schedules of expenditures of federal awards and state financial assistance.

NOTE 2 BASIS OF ACCOUNTING

The accompanying schedules are prepared and presented using the regulatory basis of accounting as prescribed for municipalities by the Division of Local Government Services, Department of Community Affairs, State of New Jersey which differ in certain respects from accounting principles generally accepted in the United States of America (GAAP) applicable to local government units. This basis of accounting is described in Note 1 to the Borough's financial statements.

NOTE 3 RELATIONSHIP TO FINANCIAL STATEMENTS

Amounts reported in the accompanying schedules agree with amounts reported in the Borough's financial statements. Financial assistance revenues are reported in the Borough's financial statements on a basis of accounting described above as follows:

	<u>Federal</u>	<u>State</u>	<u>Total</u>
Current Fund	\$ 5,280	\$ 50,032	\$ 55,312
General Capital Fund	<u>-</u>	<u>221,500</u>	<u>221,500</u>
Total Financial Awards	<u>\$ 5,280</u>	<u>\$ 271,532</u>	<u>\$ 276,812</u>

NOTE 4 RELATIONSHIP TO FEDERAL AND STATE FINANCIAL REPORTS

Amounts reported in the accompanying schedules may not necessarily agree with the amounts reported in the related federal and state financial reports due to timing differences between the Borough's fiscal year and grant program year.

BOROUGH OF GLEN ROCK LETTER OF COMMENTS AND RECOMMENDATIONS

GENERAL COMMENTS

Our comments with respect to the examination and any error, omission, irregularity, violation of law, discrepancy or other nonconformity to the law or regulation found during the examination are herewith set forth.

Current Year

The audit disclosed that the Borough's contributions for the Defined Contribution Retirement Program (DCRP) were not submitted to the third-party provider for the period July 1, 2017 through December 31, 2017. It is recommended that the contributions for the Defined Contribution Retirement Program (DCRP) be submitted to the third-party provider on a timely basis.

Our audit indicated that there is no independent verification of state and federal payroll deductions remitted by the Borough's third party payroll provider. It is recommended that the Borough implement procedures to verify the payment of state and federal payroll deductions by its third party payroll provider.

The audit revealed two vendors were awarded contracts through a national cooperative for the purchase of equipment where the procedures required under State procurement guidelines for National Cooperative Contracts purchases were not followed by the Borough. It is recommended purchases made under National Cooperative Contracts be undertaken in accordance with State procurement guidelines.

The audit of payroll indicated transactions pertaining to employee unemployment contributions and payments to the State of New Jersey for unemployment claims were not recorded in the "Reserve for Unemployment Compensation Insurance". It is recommended financial transactions pertaining to the "Reserve for Unemployment Compensation Insurance" be recorded.

Prior Year

Our audit revealed that certain payments to employees for health benefit waivers and required employee health benefit contributions pursuant to P.L. 2011, Chapter 78 were incorrectly calculated. Additionally, the State waiver report did not properly reflect eligible employees only. It is recommended that payments to employees for health benefit waivers and employee health benefit contributions be calculated pursuant to P.L. 2011, Chapter 78 and all eligible employees be properly reported on the State waiver report.

Contracts and Agreements Required to be Advertised for N.J.S. 40A:11-4

N.J.S. 40A:11-4 states, "Every contract or agreement, for the performance of any work or the furnishing or hiring of any materials or supplies, the cost or the contract price where of is to be paid with or out of public funds not included within the terms of Section 3 of this act, shall be made or awarded only after public advertising for bids and bidding therefore, except as is provided otherwise in this act or specifically by any other law. No work, materials or supplies shall be undertaken, acquired or furnished for a sum exceeding in the aggregate \$17,500, except by contract or agreement".

The bid threshold in accordance with N.J.S.A. 40A:11-4 was \$17,500. The Borough has adopted a resolution increasing the threshold to \$40,000 and has appointed a qualified purchasing agent in accordance with regulations established by the Division of Local Government Services.

The Governing Body of the Municipality has the responsibility of determining whether the expenditures in any category will exceed the bid threshold within the fiscal year. Where question arises as to whether any contract or agreement might result in violation of the statute, the Borough Attorney's opinion should be sought before a commitment is made.

BOROUGH OF GLEN ROCK
LETTER OF COMMENTS AND RECOMMENDATIONS

Contracts and Agreements Required to be Advertised for N.J.S. 40A:11-4 (Continued)

The minutes indicate that bids were requested by public advertising for the following items:

Cleaning of Municipal Facilities	Crack Seating Project
Acquisition of Vehicles	Roof Replacement of Municipal Pool Complex
Street Resurfacing	Shade Tree Planting
Library Main Toilet Renovation	Leaf Transport and Disposal
Comfort Station at Wilde Memorial Field	Hook Lift and Additional Equipment
ADA Upgrades to Main Line Historical Center Main Entrance	

The minutes indicate that resolutions were adopted and advertised authorizing the awarding of contracts or agreements for "Professional Services" per N.J.S. 40A:11-5.

Inasmuch as the system of records did not provide for an accumulation of payments for categories for the performance of any work or the furnishing or hiring of any materials or supplies, the results of such an accumulation could not reasonably be ascertained. Disbursements were reviewed, however, to determine whether any clear-cut violations existed.

Our examination of expenditures did reveal payments, contracts or agreements in excess of the bid threshold for technology services where bids had not been previously sought by public advertisement or where a resolution had not been previously adopted under the provisions of N.J.S. 40A:11-6.

Collection of Interest on Delinquent Taxes and Assessments

The statute provides the method for authorizing interest and the maximum rates to be charged for nonpayment of taxes or assessments on or before the date when they would become delinquent.

The Governing Body on January 4, 2017, adopted the following resolution authorizing interest to be charged on delinquent taxes:

BE IT RESOLVED that in accordance with Chapter 435 of the New Jersey Laws of 1965, amended February 14, 1980, no interest shall be charged with payments of any installment of taxes or assessments made within the first ten days of the month when such installments are payable. Payments made after such ten days will be charged interest at eight percent (8%) per annum from the first day of the month when such payments are due. Quarterly tax payments for 2017 are due:

February 1

May 1

August 1

November 1

It appears from our examination of the Collector's record that interest was collected in accordance with the foregoing resolution.

Delinquent Taxes and Tax Title Liens

The last tax sale was held on December 5, 2017.

The following comparison is made of the number of tax title liens receivable on December 31 of the last three years:

<u>Year</u>	<u>Number of Liens</u>
2017	2
2016	2
2015	2

APPRECIATION

We desire to express our appreciation to the Borough Administrator and other Borough Staff who assisted us during the course of our audit.

Suggestion to Management

- Continued efforts be made to review Other Trust Fund reserves to determine eligibility for a dedication by rider and the miscellaneous Trust deficit be cleared of record.
- Continued efforts be made to liquidate the prior year receivables in the General Capital Fund.
- The balance in the “ Reserve for Payroll Deductions Payable” account be analyzed.

BOROUGH OF GLEN ROCK
LETTER OF COMMENTS AND RECOMMENDATIONS

RECOMMENDATIONS

It is recommended that:

1. The contributions for the Defined Contribution Retirement Program (DCRP) be submitted to the third party provider on a timely basis.
2. The Borough implement procedures to verify the payment of state and federal payroll deductions by its third party payroll provider.
3. Purchases made under National Cooperative Contracts be undertaken in accordance with State procurement guidelines.
4. Financial transactions pertaining to the "Reserve for Unemployment Compensation Insurance" be recorded.
- * 5. Payments to employees for health benefits waivers and employee health benefit contributions be calculated pursuant to P.L. 2011, Chapter 78 and all eligible employees be properly reported on the State waiver report.

* * * * *

A review was performed on all prior year's recommendations. Corrective action was taken on all prior year's recommendations, except those denoted with an asterisk above.

The problems and weaknesses noted in our audit were not of such magnitude that they would affect our ability to express an opinion on the Financial Statements taken as a whole.

Should any questions arise as to our comments, please do not hesitate to contact us.
