Mayor – few things election day has passed congratulations to Arati Kreibich.

Motion made by Council member Martin to allow Arati to participate in closed session until she is sworn in.

Seconded by Council member O'Hagan

All in favor.

Mayor - Little free library Greg Toro spoke with the homeowner and they suggested putting them on casters and as long as they are on peoples property the JIF is ok with that. Need to work this out with Greg and decide on footage.

Went to the BOE meeting they voted to not fund the traffic study. It might change a little if we can get them in the room with the engineer, we can't do the High School /Middle School this year anyway, they are open to further conversation once they speak with the engineer. They felt they weren't given all the information.

Would like to rename the field at lower Faber field - McCullough field there is no name for that field it would be a great honor to him. I was hoping for a motion to do that. If everyone is ok with that I would like to do have a ceremony on opening day.

Council member O'Hagan – we have two other fields over here at Wilde, there may be another place we could put it. We played more of our games up here at this field. I would like for us to

think about this more possibly a mayor's plaque. 100% in agreement to do something for Mark. Something to think about.

Council member Pazan – I agree with Mike, that park was named for a reason. I agree that we should honor Mark but pick another location.

Council member Martin – I agree to honor Mark I think a second conversation should be a memorial. I think we should do something with the softball field for Mark.

Council member O'Hagan – just think there might be some other ways to memorialize him in another way.

Council member Morieko – I thought that was Mark favor place to play. That site is very special to the McCullough family.

Mayor – this is what I wanted to propose. This came to me at the funeral, this is where he was all the time. I can't think of anything more appropriate for him. For me this would be the best tribute to him. Faber field would stay Faber just lower an upper.

Motion made by Council member Morieko to rename the lower Faber McCullough field.

Seconded by Council member Martin

All in favor.

Council member Pazan – would like to mention the passing of Dave Behar.

Mentioned that the dumpster at the library is taking up parking spaces. Asked when should the renovation be done.

Lenora Benjamin – we were invited to a meeting this week for Holiday planning, we've been asked what our participation will be? Katie will be attending the meeting on Wednesday and is looking for a little flexibility.

Council member Martin – I'm not comfortable with sponsoring this event if the Chamber doesn't have the money.

Motion made by Council member Morieko to close the work session

Seconded by Council member Leonard

All in Favor.

Meeting Adjourned: 7:55 p.m.
